

## Catholic schools must remain accessible to all families who choose them

- Catholic education supports a strong, properly funded education system in Australia. All Australian children deserve a properly resourced education.
- Australia's education system would not function without Catholic schools. Catholic schools ease the pressure on public schools by educating 1 in 5 students in NSW, thereby sharing the load and cost.

---

This is why Catholic schools must secure a fair share of Federal and State Government support – to maintain education quality and to ensure a Catholic education remains affordable for all families.
