

Catholic schools must remain accessible to all families who choose them

- In 2016, NSW Catholic school parents contributed almost \$1.2 billion in school fees and \$316.5 million for capital works such as new classrooms, libraries and technology. That's almost \$1.5 billion invested by Catholic school parents in our state's education system in just one year!
- Despite this extraordinary support, Catholic schools still rely on Federal and State Governments for more than 70% of our recurrent funding needs.

This is why Catholic schools must secure a fair share of Federal and State Government support – to maintain education quality and to ensure a Catholic education remains affordable for all families.
