

## ***DID YOU KNOW?***

Non-government schools educate more than one-third of all NSW students, yet receive just 12% of the capital funding provided to schools by the NSW Government.

Furthermore, non-government schools will receive almost 20% LESS funding in 2014/15 than they did six years ago – despite educating 33,600 more students in that time.

This is why funding support from Federal & State Governments must keep pace with rising education costs - ***to maintain education quality and to ensure a Catholic education remains affordable for all families.***
