

DID YOU KNOW?

Catholic school parents in NSW paid \$943 million in school fees in 2012.

You also contributed \$161.5 million in school building levies and other capital funding that year.

That's more than \$1.1 billion invested by Catholic school parents in our state's education system in just one year!

Despite this extraordinary support, Catholic schools still rely on Federal and State Governments for more than 75% of our funding needs each year.

This is why funding support from Federal & State Governments must keep pace with rising education costs - ***to maintain education quality and to ensure a Catholic education remains affordable for all families.***
