

DID YOU KNOW?

The Federal Government contributes 57.5% of the cost of educating a child in a NSW Catholic school, and the NSW Government contributes 19.7%.

The remaining 22.8% comes from parents and the parish community through school fees and private fund-raising.

This is why funding support from Federal & State Governments must keep pace with rising education costs - ***to maintain education quality and to ensure a Catholic education remains affordable for all families.***
