

DID YOU KNOW?

NSW Catholic schools deliver excellent value for money to students, parents and taxpayers.

Federal & State governments jointly provide 77.2% of the funding needed by NSW Catholic schools, compared with 94.5% of the funding spent by NSW government schools.

The remaining income in each sector comes from parents (mainly through fees) and other private or community fund-raising.

This is why funding support from Federal & State Governments must keep pace with rising education costs - ***to maintain education quality and to ensure a Catholic education remains affordable for all families.***
